Brasília, 30/02/2018 - Trabalhadores do governo brasileiro reclamam, nos últimos três meses, poucos contratos e salários com aumentos significativos. Mas muitas pessoas que assumem o poder para o atual governo e que são chamadas de “barbaros” na internet pelos próprios trabalhadores da União, estão revelando que a realidade não é tão diferente. Os salários e o cálculo dos salários dos chefes de departamentos foi feito pela revista “Veja”. Os dados mostram que, num primeiro momento, os salários são reajustados de acordo com o poder aquisitivo do governo federal. Muitos salários ainda estão em padrão de Maio de 2015, que foi o último ano de os salários aumentarem em Lei da Ficha Limpa. Os salários mais altos dos ministros do governo são dois, que são os de Cecília Meirelles (Planejamento) e Jorge de Farias (Saúde). Mais de metade dos governos com salários de até R\$ 30 mil reajustaram os salários em pelo menos de 25%. 1 de 6 Presidente Michel Temer, o ministro Filipe Barros (Fazenda), os ministros Osmar Terra (Agricultura), Tereza Cristina (Desenvolvimento Agrário), Eliseu Padilha (Cidadania) e Tereza Cristina (Agricultura) e a ministra Damarens Alves (Mari) — Foto: Nacho Doce/Reuters Presidente Michel Temer, o ministro Filipe Barros (Fazenda), os ministros Osmar Terra (Agricultura), Tereza Cristina (Desenvolvimento Agrário), Eliseu Padilha (Cidadania)
